Welcome Eraseboarders!

Eraseboards.com! is the home of Dry-Erase Boards, Whiteboards, and Marker Boards for Office, Home, and School. It is a source for everything "dry erase", including history of the technology, latest news and studies, creative uses, classroom ideas, maintenance methods, and product recommendations of dry erase supplies. If you have or are looking for a whiteboard or dry erase board, you came to the right place.

This website was created by the fans of dry erase board technology, and our intention is to help dry erase board users around the globe. All the items and comments are simply "in our opinion only," and we are not responsible for the outcome of any of our suggestions, recommendations, etc. More legal disclaimers at the "Legal Terms" section accessible by the link at the bottom of the page.

We hope you will enjoy the site as much as we enjoyed putting it together. Please feel free to join the community of "erase boarders" by leaving comments, posting messages, and even writing us!
